Creative Tech Enthusiast| AI/ML & Web Development | Finance & Business Enthusiast| Editing & Design Aficionado

Dedicated and passionate B.Tech CSE student at Lovely Professional University with a strong foundation in various programming languages including Python, SQL, C, C++, HTML, CSS, and JavaScript. Highly skilled in video and photo editing, combining technical knowledge with creativity. Experienced in web development, successfully designing user-friendly and visually appealing websites using UI and UX principles. I have built a diverse portfolio through freelancing projects on platforms like Fiverr and Freelancer. Proficient in MS Excel, utilizing advanced shortcuts for data management and analysis. Bridging the gap between technical development and creative design, I am a well-rounded professional ready to take on diverse challenges. Eager to learn and grow, always seeking opportunities to contribute to innovative projects. Let's connect and explore how we can collaborate to achieve remarkable results.
